

Agustín Fuentes

Department of Anthropology, 123 Aaron Burr Hall, Princeton University,
Princeton NJ 08544 email: afuentes2@princeton.edu

EDUCATION:

- 1994 Ph.D.** *Anthropology*, University of California, Berkeley
1991 M.A. *Anthropology*, University of California, Berkeley
1989 B.A. *Anthropology and Zoology*, University of California, Berkeley

ACADEMIC POSITIONS:

- 2020-present** **Professor, Department of Anthropology**, Princeton University
2017-2020 **The Edmund P. Joyce, C.S.C., Professor of Anthropology**, University of Notre Dame
2013-2020 **Chair, Department of Anthropology**, University of Notre Dame
2008-2020 **Professor, Department of Anthropology**, University of Notre Dame
2008-2011 **Director, Institute for Scholarship in the Liberal Arts**, University of Notre Dame
2005-2008 **Nancy O’Neill Associate Professor of Anthropology**, University of Notre Dame
2004-2008 **Flatley Director, Office for Undergraduate and Post-Baccalaureate Fellowships**, University of Notre Dame
2002-2008 **Associate Professor, Department of Anthropology**, University of Notre Dame
2000-2002 **Associate Professor, Department of Anthropology**, Central Washington University
1999-2002 **Director, Primate Behavior and Ecology Bachelor of Science Program**, Interdisciplinary Major-Departments of Anthropology, Biological Sciences and Psychology, Central Washington University
1998-2002 **Graduate Faculty, Department of Psychology and Resource Management Master’s Program**, Central Washington University
1996-2000 **Assistant Professor, Department of Anthropology**, Central Washington University
1995-1996 **Lecturer, Department of Anthropology**, University of California at Berkeley

ACADEMIC AFFILIATIONS/HONORS:

- 2021-present** **Associate Faculty, Brazil Lab**, Princeton University
2021-present **Associate Faculty, Program in Latin American Studies**, Princeton University
2021-present **Senior Academic Advisor, Center of Theological Inquiry**, Princeton
2021 **Faculty, Diverse Intelligences Summer Institute**
2020-present **Fellow, International Society for Science and Religion**
2020-present **Member, American Academy of Arts and Sciences**
2020-2022 **Sigma Xi Distinguished Lecturer, Sigma Xi, The Scientific Research Honor Society**
2019 **Hood Fellow**, University of Auckland, New Zealand
2018-2020 **Ansari institute faculty affiliate**, University of Notre Dame
2018-present **Corresponding member, Center for Academic Research & Training in Anthropogeny (CARTA), UCSD/Salk Institute, San Diego CA**
2018 **Gifford Lecturer**, University of Edinburgh, Scotland, UK
2013-present **Fellow, American Association for the Advancement of Science**
2013-2020 **Fellow, Liu Institute for Asian Studies**, University of Notre Dame
2012-2013 **Fellow, Inquiry on Evolution and Human Nature**, Center of Theological Inquiry, Princeton
2012 **Seelye Fellow**, University of Auckland, New Zealand
2009-2020 **Advisory Board, Eck Institute for Global Health**, University of Notre Dame
2008-2016 **Executive Committee, Institute for Latino Studies**, University of Notre Dame

2008-2020 **Research Affiliate**, Washington National Primate Research Center
2008-2009 **Advisory Board, Center for Global Health and Infectious Diseases**, University of Notre Dame
2006-2020 **Affiliated Faculty in Gender Studies**, University of Notre Dame
2006-2020 **Fellow, John J. Reilly Center for Science, Technology, and Values**, University of Notre Dame
2005-2009 **Fellow, Center for Social Concerns**, University of Notre Dame
2005-2020 **Fellow, Institute for Latino Studies**, University of Notre Dame
2004-2012 **Core member, Center for Asian Studies**, University of Notre Dame
2004-2020 **Fellow, Kroc Institute for Peace Studies**, University of Notre Dame
2003-2009 **Faculty, Center for Global Health and Infectious Diseases**, University of Notre Dame

CURRENT MEMBERSHIP IN PROFESSIONAL ORGANIZATIONS:

2020-present International Society for Science and Religion
2020-present American Academy of Arts and Sciences
2001-present American Association for the Advancement of Science
1996-present American Anthropological Association
1994-present American Association of Physical Anthropologists
1997-present Sigma Xi Scientific Research Society
1994-present International Primatological Society

PUBLICATIONS:

BOOKS/MONOGRAPHS:

Fuentes, A. (2019) *Why We Believe: Evolution and the Human Way of Being*. Yale University Press/Templeton Press (winner: 2020 Inaugural International Society for Science and Religion (ISSR) Book Prize in the Field of Science and Religion)

Fuentes, A. (2018) *Biological Anthropology: concepts and connections 3e* McGraw-Hill Publishing Company

Fuentes, A. (2017) *The Creative Spark: how imagination made humans exceptional* Dutton/Penguin 2017 Romanian Translation (Publica), 2017 Chinese Translation (CITIC Publishing House), 2018 Spanish Translation (Ariel/Planeta), 2018 Korean Translation (Chungrim Publishing Co.), 2020 Indonesian Translation (Globalindo)

Fuentes, A. (2012) *Race, Monogamy and other lies they told you: busting myths about human nature* University of California Press (winner: 2016 WW Howells award), 2020 Greek Translation (Ekdoseis tou Eikostou Protou)

Fuentes, A. (2011) *Biological Anthropology: concepts and connections 2e* McGraw-Hill Publishing Company

Fuentes, A. (2009) *Evolution of Human Behavior* Oxford University Press

Fuentes, A. (2006) *Core Concepts in Biological Anthropology* McGraw-Hill Publishing Company

CO-AUTHORED BOOKS/EDITED VOLUMES:

Deane-Drummond, C. and Fuentes, A. (2020) *Theology and Evolutionary Anthropology: Dialogues in Wisdom, Humility and Grace* Routledge

Welsch, R.L., Vivanco, L.A., and Fuentes, A. (2019) *Anthropology: Asking Questions about Human Origins, Diversity, and Culture 2e* Oxford University Press

Fuentes, A. and Deane-Drummond, C. (2018) *Evolution of Wisdom: Major and Minor Keys* Center for Theology, Science, and Human Flourishing, University of Notre Dame <https://ctshf.pressbooks.com/>

Deane-Drummond, C. and Fuentes, A. (2017) *The Evolution of Human Wisdom* Lexington Books/Rowman and Littlefield

Fuentes, A. and Visala, A. (2017) *Verbs, Bones, and Brains: Interdisciplinary Perspectives on Human Nature* University of Notre Dame Press

Dore, K.M., Riley, E.P. and Fuentes, A. (2017) *Ethnoprimatology: A Practical Guide to Research at the Human-Nonhuman Interface* Cambridge University Press

Welsch, R.L., Vivanco, L.A., and Fuentes, A. (2016) *Anthropology: Asking Questions about Human Origins, Diversity, and Culture* Oxford University Press

Fuentes, A. and Visala, A. (2016) *Conversations on Human Nature*. Left Coast Press/Routledge

Narvaez, D., Valentino, K., Fuentes, A., McKenna, J.J. and Gray, P. (2014) *Ancestral Landscapes in Human Evolution Culture, Childrearing and Social Wellbeing*. Oxford University Press

MacClancy, J. and Fuentes, A. (2013) *Ethics in the field: contemporary challenges*. Berghahn Press

Gumert, M. D., Fuentes, A. and Jones-Engel, L. (2011) *Monkeys on the Edge: ecology and management of long-tailed macaques and their interface with humans*. Cambridge University Press

MacClancy, J. and Fuentes, A. (2011) *Centralizing Fieldwork: Critical Perspectives from Primatology, Biological and Social Anthropology* Berghahn Press

Campbell, C., Fuentes, A., MacKinnon, K.C., Bearder, S., and Stumpf., R. (2011) *Primates in Perspective 2e* Oxford University Press

Panter-Brick, C. and Fuentes, A. (2008) *Health, Risk, and Adversity* Berghahn Press

Campbell, C., Fuentes, A., MacKinnon, K.C., Panger, M., and Bearder, S. (2007) *Primates in Perspective* Oxford University Press

Fuentes, A. and Wolfe, L.D. (2002) *Primates Face to Face: The Conservation Implications of Human and Nonhuman Primate Interconnections* Cambridge University Press

Dolhinow, P. and Fuentes, A. (1999) *The Nonhuman Primates* Mayfield Publishing Company

ENCYCLOPEDIAS

Fuentes, A. Editor-in-Chief (2017) *The International Encyclopedia of Primatology* Wiley

SPECIAL ISSUES OF JOURNALS-EDITED/CO-EDITED

Guttman, M., Nelson, R. and Fuentes, A. (2021) **Men, Masculinities and Violence**. *Current Anthropology* 62

Bolnick, D. Smith, RW, and Fuentes, A. (2019) **Vital Topic Forum: How Academic Diversity Is Transforming Scientific Knowledge in Biological Anthropology** *American Anthropologist* 121(2)

Fuentes, A. and Wiessner, P. (2016) **Re-integrating Anthropology** *Current Anthropology* 57

Calcagno, J, and Fuentes, A. (2012) **What makes us human? answers from evolutionary anthropology.** *Evolutionary Anthropology* 41(3)

Fuentes, A. and Hockings, K. (2010) **The ethnoprimateological approach in primatology** *American Journal of Primatology* 72

Fuentes, A. (2010) **Vital Topic Forum: On Nature and On The Human** *American Anthropologist* 112(4)

Fuentes, A. (2006) **Human-Nonhuman primate interconnections and their relevance to Anthropology.** *Ecological and Environmental Anthropology* 2(2)

AWARDS

- 2020 Inaugural Communication & Outreach Award, American Association of Physical Anthropologists**
- 2017 President’s Award, American Anthropological Association**
- 2016 W.W. Howells Book Award (for *Race, Monogamy and Other Lies They Told You: Busting Myths about Human Nature*, University of California Press)**
- 2016 Provost’s *Featured Faculty* Game Day Honoree, University of Notre Dame**
- 2015 Midwest Primate Interest Group Distinguished Primatologist Award**
- 2013 Fellow, American Association for the Advancement of Science**
- 2011 Joyce Award for Excellence in Undergraduate Teaching, University of Notre Dame**

- 2006 Presidential Award, University of Notre Dame**
- 2004 Kaneb Teaching Award, University of Notre Dame**
- 2002 TIAA-CREF/SOURCE Distinguished Faculty Award**
- 2000 Central Washington University Presidential Excellence in Leadership Award**
- 1998 Central Washington University Parents Association Excellence in Teaching Award**

SYMPOSIUMS/SESSIONS ORGANIZED:

- 2021 The Long Tailed Macaque Project Workshop #1** International Workshop on Long-tailed Macaques (Virtual, Co-Organizer)
- 2020 The Biology of Racism. *Raising our Voices*,** American Anthropological Association online 2020 conference
- 2019 Wenner Gren Symposium: Towards and Anthropological Understanding of Maleness, Masculinities and Violence.** Sintra, Portugal (Co-organizer)
- 2018 Why Frankenstein Matters at 200: Rethinking the Human through the Arts and Sciences,** University of Notre Dame Rome Global Gateway, Rome (Co-Organizer)
- 2016 Presidential Panel-Working together to change the future: A dialogue on harassment in biological anthropology** 85th Annual Meeting of the American Association of Physical Anthropologists, Atlanta, GA (Co-Organizer, Moderator)
- 2015 In the Shadow of Ferguson: Race, Inequality, and how biological anthropologists might contribute to the dialogue** 84th Annual Meeting of the American Association of Physical Anthropologists, St. Louis, MO (Organizer, Moderator)
- 2014 Integrating Anthropology: Niche Construction, Cultural Institutions, and History** The 150th Wenner-Gren Foundation Conference, Sintra, Portugal (Co-Organizer)
Human Nature(s): Moving us Forward University of Notre Dame (Organizer)
Human Becoming and the Construction of Community Niches: a transdisciplinary approach Institute of Advanced Study, Durham University UK (Co-Organizer)
- 2013 Entangling the Biological: Steps Toward an Integrated Anthropology** at the 112th annual meeting of the American Anthropological Association, Chicago, IL (Co-organizer)
First Rites: Innovative Undergraduate Research in Anthropology I and II Visual Anthropology Sponsored Session at the at the 112th annual meeting of the American Anthropological Association, Chicago, IL (Co-Organizer)
- 2012 Scientific humanists and humanistic scientists: flattening the world with anthropology** American Association for the Advancement of Science (AAAS) annual meeting, Vancouver CN (Organizer, Chair)
- 2011 First Rites: Innovative Undergraduate Research in Anthropology I and II** Visual Anthropology Sponsored Session at the at the 110th annual meeting of the American Anthropological Association, Montreal, CN (Co-Organizer, Co-Chair)

- 2009** **First Rites: Innovative Undergraduate Research in Anthropology I and II** Presidential Invited Session at the at the 108th annual meeting of the American Anthropological Association, Philadelphia (Co-Organizer, Co-Chair)
Human Natures and Human Cultures: Integrating Evolutionary Perspectives and Biocultural Approaches, Wiley-Liss Invited Symposium, The 78th annual meeting of the American Association of Physical Anthropologists, Chicago, IL.(Co-Organizer, Presenter, Co-Chair)
- 2008** **Inclusion, Collaboration, Engagement: Advancing the biocultural perspective in anthropological inquiry** Invited Session-Executive Committee and Biological Anthropology Section at the at the 107th annual meeting of the American Anthropological Association, San Francisco (Co-Organizer, Co-Chair)
First Rites: Innovative Undergraduate Research in Anthropology I and II Executive Session at the at the 107th annual meeting of the American Anthropological Association, San Francisco (Co-Organizer, Co-Chair)
5th annual meetings of the Midwest Primate Interest Group, University of Notre Dame (Conference Host, Session and Symposium Coordinator)
- 2007** **Constructivist Evolutionary Anthropology: Beyond Nature versus Nurture** Invited Session Biological Anthropology and General Anthropology Sections at the at the 106th annual meeting of the American Anthropological Association, Washington, D.C. (Co-Organizer, Co-Chair, and presenter)
First Rites: Innovative Undergraduate Research in Anthropology I and II Executive Session at the at the 106th annual meeting of the American Anthropological Association, Washington, D.C. (Co-Organizer, Co-Chair)
Advancing Biocultural Perspectives in Physical Anthropology National Science Foundation sponsored conference, University of Notre Dame, Notre Dame IN (Co-Organizer, Presenter, Session chair)
- 2006** **First Rites: Innovative Undergraduate Research in Anthropology I and II** Executive Session at the at the 105th annual meeting of the American Anthropological Association, San Jose, CA (Co-Organizer, Co-Chair)
Health, Risk, and Adversity: a contextual view from Biological Anthropology University of Durham, Durham, UK. (Co-Organizer, Session chair)
Primate Biology and Behavior The 75th annual meeting of the American Association of Physical Anthropologists, Anchorage, AK (Chair)
- 2005** **Updating Human Evolution: Bringing Anthropological and Public Conceptions into Contemporary Perspective** Executive Session at the 104th annual meeting of the American Anthropological Association, Washington D.C. (Organizer, Presenter)
The Human-nonhuman primate interface: history, evolution and conservation The Third Annual Wiley-Liss Symposium The 74th annual meeting of the American Association of Physical Anthropologists, Milwaukee, WI (Co-Organizer, Presenter)
- 2003** **Techniques, Applications, and Action: Moving Beyond the Call for Conservation.** The 72nd annual meeting of the American Association of Physical Anthropologists, Tempe, Arizona (Co-Organizer and Chair)
Innovative Undergraduate Research in Anthropology at the 102nd annual meeting of the American Anthropological Association, Chicago (Organizer, Chair)
- 2002** **Human-Nonhuman Primate Interconnections: evolution, commensalism and**

conflict. The 19th Congress of the International Primatological Society, Beijing, China
(Co-organizer, Chair and Discussant)

First Rites: Innovative Undergraduate Research in Anthropology Presidential Invited Session at the 101st annual meeting of the American Anthropological Association, New Orleans
(Organizer, Chair)

1999 Timely Negotiations: the evolutionary implications of conflict resolution in human and nonhuman primates Session at the 98th annual meeting of the American Anthropological Association, Chicago (Co-organizer, Chair and Presenter)

1997 What Are We Doing Watching Monkeys? Anthropological perspectives and the role of non-human primate research Invited Session at the 96th annual meeting of the American Anthropological Association, Washington D.C.- Invited Session Biological Anthropology Section (Organizer, Chair and Presenter)

The Many Faces of Primate Research The 50th Northwestern Anthropology Conference, Central Washington University (Organizer and Chair)

Developing a human niche: diversity and multifaceted evolutionary dynamics in Pleistocene *Homo* University of Liverpool Evolutionary Anthropology Webinar Series

Hate, mobs, and violence=human nature? No, it is much more interesting than that American Psychological Association conference, as part of invited session “The January 6 Capitol Incursion: Is Violence Part of “Human Nature”?”

Who is the “We” in Biological Anthropology? “views from somewhere” in ethical discourse and practice. AnthroEthics Virtual Conference/BioAnth Talks

Meaning-making, belief and world shaping as core processes in the human niche. EvoS Seminar, Binghamton University (SUNY), NY & Center for Behavior, Evolution and Culture, UCLA, CA, & Diverse Intelligences Summer Institute, UCLA/St.Andrews

Racism is the problem: situating challenges to antiracist action in anthropology with an eye towards the broader academy and the public. San Jose State University, CA

Lessons from Darwin and 'The Descent of Man': racism, science, and a bit of hope *Keynote, University of Delaware Darwin Day Celebration, University of Delaware, DE*

Race is not the risk factor, Racism is: fabrication, ignorance and malicious intent in the myth of race in the contemporary USA. Sasha Seminar, Wesleyan University, CT

Making, Breaking, Reinventing: engaging human/other-animal interface research in the Anthropocene *Pluralizing the Anthropocene: Reenvisioning the Future of the Planet in the 21st Century, Fundação Serralves/University of Coimbra, Portugal*

2020 Diversity as the norm not the aberration *Centre for Culture and Evolution Seminar Series, Brunel University, London*

From the holobiont to the laboratory: diversity and the microbiome in theory and practice. *CIFAR 2020: Humans & the Microbiome, Virtual meeting of CIFAR (Canada)*

A (bio)Anthropological View of COVID-19: Pandemic: Reflections on an Unfolding Crisis *Distribute 2020:A Biennial Conference of the SCA and SVA,Virtual conference*

Why Anthropology Matters Now: making a difference in the academy and beyond in the 21st century Anthropology Day Symposium, Miami University, OH

2019 Biological Anthropology for 2020 and beyond: achievements, challenges and the centrality of an integrative human biology Keynote Speaker; Australasian Society for Human Biology Conference, Canberra, AU

- Biological Anthropology for the 21st century: making a difference in the academy and beyond** The Biological Anthropology Section (BAS) Distinguished lecture, 117th annual meeting of the American Anthropological Association, Vancouver, CA
- Antropología Biológica para 2020 y mas allá: éxitos, fracasos, futuros y el papel de México en una bioantropología global** XX Coloquio Internacional de Antropología Física ‘Juan Comas’, Aguascalientes, México
- Minds, materials, and meanings: the entanglement of technology, sociality and freedom in human evolution** Interdisciplinary Workshop on Cognitive Science, Evolution and Philosophy, Renmin University, Beijing, China
- Developing a human niche: multifaceted evolutionary dynamics in Pleistocene Homo** Evolution Research @ Auckland, University of Auckland, New Zealand
- Can't We All Just Get Along? Hate, Love, Evolution and the Human Way of Being** Hood Lecture, University of Auckland, New Zealand
- Animals, plants, buildings, pots, war and peace: How the last ~15-20 millennia shaped humanity, and why it matters** Anthropology Seminar, School of Social Sciences, University of Auckland, New Zealand
- Are we naturally capitalist? inequality, evolution and ‘human natures’”** CAPITALISMS, University of Pennsylvania
- Race and racism: shaping health, access and life experience** Educating the Whole Physician Conference, University of Notre Dame.
- Searching for the roots of masculinity in primates and the human evolutionary past** Wenner Gren Symposium on Towards and Anthological Understanding of Maleness, Masculinities and Violence. Sintra, Portugal
- 2018 Why We Believe** (6 lectures) The 2018 Gifford Lectures, University of Edinburgh
- Raza, racismo, ciencia y evolucion: perspectivas desde la antropología integrada y la biología humana contemporánea** Conferencia Magistral, Escuela Nacional de Antropología e Historia (ENAH) y Museo Nacional de Antropología, México City, México
- Integrative Anthropology: embracing methodological diversity and contemporary evolutionary theory** (4 lectures series) Escuela Nacional de Antropología e Historia (ENAH), México City, México
- Dream it, Be It: How Imagination and Creativity Reshaped Human Evolution and Creativity and Imagination as Key Factors in the Formation of the Human Niche** CARTA Symposium, University of California, San Diego & Salk Institute
- We are all composite creatures: evolution, genetics, ancestry, and false narratives of lineage purity in human becoming** ‘Why Frankenstein Matters at 200: Rethinking the Human through the Arts and Sciences’, University of Notre Dame Rome Global Gateway, Rome
- Why Understanding Human Evolution Matters: ‘Human Nature’ and Ideas** SACNAS 2018 San Antonio, TX
- Cowardice or Creativity? Evasion, resilience, vulnerability, and imagination in human evolution** 116th annual meeting of the American Anthropological Association, San Jose, CA
- The Creative Spark: Imagination, Creativity, and Cooperation in Human Evolution** Learning and the Brain, Boston, MA
- 2017 Kin making and breaking in the Anthropocene** 116th annual meeting of the American Anthropological Association, Washington DC
- Semiosis in primates and human evolution** VI Iberian Primatological Conference Burgos, Spain
- Identity and Human Natures: there are many ways to be successfully human** SABF 2017, Buenos Aires, Argentina
- Belief(s), Identity, and Experience: Navigating Multiple Influences on Knowing in Biological Anthropology** 86th Annual Meeting of the American Association of Physical Anthropologists, New Orleans, LA

- Imagination, faith and hope in the human niche: an evolutionary perspective** Explaining Religion: Evolutionary Anthropology, Social Cognition, and Phenomenology A Colloquium Yale-NUS College, Singapore,
- Setting the stage: Developing the human niche across the Pleistocene** Humility, Wisdom, and Grace in Deep Time: A Conversation between Theology and Evolutionary Anthropology Stellenbosch Institute for Advanced Study, South Africa
- How humans and apes are different and why it matters** XLIV Journal of Anthropological Research Distinguished Lecture, Albuquerque, NM
- 2016 Advancing Together: Cooperation and Creativity in Human Evolution** AAAS-DoSER Holiday lecture, American Association for the Advancement of Science Washington DC
- Human niche, human behaviour, human nature** New trends in evolutionary biology: biological, philosophical and social science perspectives, The Royal Society, London
- Interlacing Evolution, Epigenetics, Creativity and Diversity in Understanding the Human** Understanding the Human: a new dialogue between the humanities and the sciences. King's College, London, UK
- Imagination, cooperation, and the human niche: the emergence of religious belief in human evolution** The Language of the Human and the Language of Love: A dialogue between Neuroscience and Religion. Oxford University, Oxford, UK
- Imagination and Cooperation in the Care for our Common Home: what can human evolution tell us about human being in the Anthropocene?** Imagination and Cooperation in the Care for our Common Home, Dominican School of Philosophy & Theology, Berkley, CA
- Making Meaning, Making Kin: kin selection, social complexity, and human evolution** Cooperation from Cells to Humans: Theoretical, Empirical, and Philosophical Perspectives on Inclusive Fitness, Cambridge University, Cambridge, UK
- Hands, Brains, and Tools: towards integration** 85th Annual Meeting of the American Association of Physical Anthropologists, Atlanta, GA
- Laughter and humor in an evolutionary context?** Notre Dame Institute for Advanced Studies Templeton Symposium: Toward a Consilience Model of Laughter and Humor, Notre Dame, IN
- Imagination and Human Distinctiveness** Notre Dame Institute for Advanced Studies Symposium: Becoming Human: Evolutionary and Ontogenetic Stories About the Emergence of the Human Mind, Notre Dame, IN
- Human Evolution: a cocktail of creativity.** School for Advanced Research Membership Lecture Seminar, Santa Fe, NM
- How did humanity evolve? Big Questions from Anthropology.** Science in Seminaries & John Carrol University, Tucson, AZ
- Creativity and Cooperation: at the core of human nature(s)** Luce Hall Seminar on the Science of wellbeing at work. Center of Theological Inquiry/Grenoble Ecole de Management, Princeton NJ
- Blurring Boundaries: Interlacing Evolution, Epigenetics, Creativity and Diversity in Understanding the Human** The Humanities and the Brain series, Interdisciplinary Humanities Institute, University of California at Santa Barbara, Santa Barbara, CA
- 2015 Why Primatology matters** Distinguished Primatologist Lecture, Midwest Primate Interest Group, St. Louis MO
- Becoming Human in the Anthropocene** Plenary for the EFSRE Conference on Religion in the Anthropocene: Challenges, Idolatries, Transformations. Munich, Germany
- Deep roots for justice, law and religion? The significance of cooperation, compassion and imagination in human evolution** Dean's Distinguished Lecture for "Religion, Law and Justice" University of the Western Cape & Stellenbosch University, Cape Town, South Africa
- Humans, disease and other species: deep histories, entangled ecologies and emergent Complexities** Social Science and Zoonotic Disease Emergence, Ecologies, Ethnography, Durham University, UK
- War, peace, & creativity: What Human evolution tells us about human nature(s)** What

- makes us human?** European Molecular Biology Laboratory, Heidelberg, Science & Society symposium. Heidelberg, Germany
- Biological anthropology: So what? A call for integrative anthropology for 2015 and beyond** and **Expanding Evolutionary Anthropology** at the 114th annual meeting of the American Anthropological Association, Denver CO
- 2014 Anthropology, evolution, and the human niche** at the 113th annual meeting of the American Anthropological Association, Washington DC
- Anthropology, evolution, and the human niche** Integrating Anthropology: Niche Construction, Cultural Institutions, and History The 150th Wenner-Gren Foundation Conference, Sintra, Portugal
- Realizing imagined ecologies: niche construction, semiotic landscapes, and other animals in human evolution** Human Becoming and the Construction of Community Niches: a transdisciplinary approach Institute of Advanced Study, Durham University UK
- “Seeing the world through their eyes”: Analyses of the first National Geographic Crittercam™ deployments on macaques in Singapore and Gibraltar. And Covering the rock: GPS collar informed management of Barbary Macaques.** 83rd Annual Meeting of the American Association of Physical Anthropologists, Calgary, CA
- 2013 Biology Matters! Anthropology Needs Biology and Visa-Versa** at the 112th annual meeting of the American Anthropological Association, Chicago, IL
- Social minds, shared ecologies, and evolutionary landscapes: niche construction and future of the human–other primate interface IV** Iberian Primatological Congress, Girona, Spain
- Primate socioecology: where are we, what are we doing here, and where are we going?** 82nd Annual Meeting of the American Association of Physical Anthropologists, Knoxville, TN
- Becoming Human: community, compassion, conflict and the inference of religion in human evolution** CSR/CTI Princeton Seminar, Princeton, NJ
- 2012 Burred Boundaries and constructed niches: interweaving the individual, the group, and the community in human evolution** at the 111th annual meeting of the American Anthropological Association, San Francisco, CA
- Primate socioecology: who are we, where are we, and what are we doing here?** 9th Annual meetings of the Midwest Primate Interest Group, Northern Illinois University
- El estado actual de la Antropología física y El estudio de los primates en el contexto de la Antropología** Seminario del Instituto de Investigaciones Antropológicas, Universidad Nacional Autónoma de México, July 30-August 4, Mexico City
- Coexisting in, and with, nature macaques and humans in the anthropogenic jungle** National Geographic 2012 Explorers Symposium, National Geographic, DC
- The Concept and Requirement of Voluntariness, Acquiescence, and Consent – What is the basis for the claim that chimpanzees can acquiesce to research, and how does this relate to consent?** Applications of the Deliberations and Findings of the IOM Report on the Use of Chimpanzees in Biomedical and Behavioral Research, Georgetown University, Kennedy Institute of Ethics
- (Re)Producing Human Evolution: entangled anthropologies, cooperation, war, and peace in human becomings** Keynote lecture, University of New Mexico Anthropology Graduate Student Union Conference in Anthropology: (Re)production
- Thoughts and perceptions, editorial and otherwise** American Anthropologist: A Conference, University of California at Irvine
- 2011 Primates, pathogens and people: the context and impacts of the human-other primate interface** Keynote lecture, Interdisciplinary Workshop on Animal-Human Relations, Calgary, CN
- The whole is more than the sum of the parts: extended minds and extended selves-riffs and musings inspired by Dorian Sagan’s *The Human is More than Human: Interspecies Communities and the New “Facts of Life*** Culture@Large session at the 110th annual meeting of the American Anthropological Association, Montreal, CN

- Social minds and social selves: niche construction and social complexity redefine the human-alloprimate interface** Humans and Other Apes: Rethinking the Species Interface, Arcus Foundation Conference, New York, NY
- 2010 The gift and the biosocial body: reciprocity and exchange in human evolution** The 109th annual meeting of the American Anthropological Association, New Orleans
- Cooperation, Conflict, and Niche Construction in Human and Other Primates** Aggression and Peacemaking in an Evolutionary Context, Lorentz Center, Leiden, Holland
- Social cooperation, niche construction, and the core role of intergenerational Bonding in human evolution** Human Nature and Early Experience: Addressing the “Environment of Evolutionary Adaptedness” University of Notre Dame, IN
- The Macaque-Human interface: Conflict, Cooperation, and the possibilities of sustainable Communities** 23rd Congress of the International Primatological Society, Kyoto, Japan
- Blurring the biological and social in human becomings** The 11th European Association of Social Anthropologists Conference, Maynooth, Ireland
- The Macaque-Human interface: moving from conflict to community** Keynote presentation in the Macaque-Human interface Workshop at the Asia For Animals Conference, Singapore
- 2009 Shaping, and inheriting, the social and the ecological: the roles of niche construction and multi-inheritance perspectives in the evolution of behavior.** The 108th annual meeting of the American Anthropological Association, Philadelphia, PA
- Viewing Darwin: Perceptions, Performance, and Potential** Darwin and Theatre: Migration and Evolution, An International Playwrights Conference. University of Notre Dame, Notre Dame, IN
- Sexy Bonobos, Machiavellian macaques and nearly-extinct orangutans: the ethical and practical considerations of a public Primatology.** Ethics in the field: Contemporary challenges, Oxford Brookes University, Oxford
- Primates, Niche Construction, and Social Complexity: The Roles of Social Cooperation and Altruism,** Conference on Man the Hunted: Sociality, Altruism, and Well-Being, Washington University, St. Louis, MO
- Biological Anthropology, Culture, and Evolutionary Theory,** Wily-Liss Invited Symposium, The 78th annual meeting of the American Association of Physical Anthropologists, Chicago, IL.
- 2008 Are we biological anthropologists yet? Contemplating Washburn’s New Physical Anthropology in 2008** Plenary luncheon presentation at the The 77th annual meeting of the American Association of Physical Anthropologists, Columbus, OH
- Adventures in the In-between: Lived Experiences of a Bio-Anthropologist**
- Navigating the Human-Primate Interface** 107th annual meeting of the American Anthropological Association, San Francisco, CA
- 2007 Constructivist and evolutionary perspectives in transaction: resituating anthropological approaches to the evolution of human behavior** The at the 106th annual meeting of the American Anthropological Association, Washington, D.C. (Co-Organizer, Co-Chair, and presenter)
- Behavioral ecology of two Barbary macaque groups in a highly anthropogenic environment in Gibraltar** The 76th annual meeting of the American Association of Physical Anthropologists, Philadelphia, PA
- Melding niche construction and biocultural approaches to understanding human behavior** Advancing Biocultural Perspectives in Physical Anthropology National Science Foundation sponsored conference, University of Notre Dame, Notre Dame
- 2006 Measuring Meaning and Understanding in Primatological and Biological Anthropology Fieldwork** Fieldwork: examining its practice among biological anthropologists and primatologists. Oxford-Brooks University, Oxford, UK

- Assessing Genetic Structure in Balinese Macaques and its Implications for Disease Transmission** The 75th annual meeting of the American Association of Physical Anthropologists, Anchorage, AK
- Niche Construction, Complexity and Cooperation: modeling human evolutionary responses to complex challenges** The American Association for the Advancement of Science Annual Meeting, St. Louis, MO
- 2005 Updating Human Evolution: Bringing Anthropological and Public Conceptions into Contemporary Perspective** Executive Session at the at the 104th annual meeting of the American Anthropological Association, Washington D.C.
- Biological Anthropology Invited Session on Ethics- panelist** 104th annual meeting of the American Anthropological Association, Washington D.C.
- Humanos, Monos y el Penon: La ecologia anthropogenico del Upper Rock Nature Reserve, Gibraltar** VII Jornadao de Flora, Fuana y Ecologia Del Campo De Gibrlatar, Instituto de Estudios Camposgibaltarenos
- Do niche construction and multi-level selection lead to altruistic behavior? and Human-Nonhuman primate interactions in the modern era: natural history, hypothesis testing, and policy implications** The 2nd Annual Midwest Primate Interest Group, St. Louis, MO
- Human-nonhuman primate interconnections and their relevance to Biological Anthropology** The 74th annual meeting of the American Association of Physical Anthropologists, Milwaukee, WI
- AAPA Ethics discussion-panel discussant** The 74th annual meeting of the American Association of Physical Anthropologists, Milwaukee, WI
- 2004 Human-nonhuman primate interconnections: disease, conflict and cooperation** The First annual meeting of the Midwest Primate Interest Group, Urbana, Il.
- Hylobatid social patterns and process: insight into hominoid evolution and the complexities of social structure, and Human culture, macaque behavior, and a global tourism: assessing the context and patterns of pathogen transmission risk in human-macaque interactions, and Is monkey business a valid enterprise? The political ecology of macaque “ecotourism”** 20th Congress of the International Primatological Society, Torino, Italy
- Wild at heart? Monkeys, domestications, and the human construction of nature.** The 133rd Wenner-Gren Symposium *Where are the wild things now?* Tucson Arizona
- 2003 It’s not all sex and violence: reflections on the role of cooperation, social complexity, and peace in human evolution** The 102nd annual meeting of the American Anthropological Association, Chicago, Il.
- Monkey Business: the complex nature of human-macaque interactions on Bali and a few thoughts about Gibraltar** CALPE Conference 2003 The Barbary Macaque: comparative and evolutionary perspectives. Gibraltar
- The role of bio-cultural factors in assessing bi-directional pathogen transmission between human and non-human primates.** The 72nd annual meeting of the American Association of Physical Anthropologists, Tempe, Arizona
- The Macaques of Bali: human connections, management and the issues of co-existence** Toward an Integration of Biodiversity Studies: Symposium and Workshop on the Wildlife Management of Asian Macaques, Kyoto University, primate Research Center, Inuyama, Japan
- 2002 People, Monkeys, Money, and Disease: defining cultural and ecological aspects of bi-directional pathogen transmission between human and non-human primates** The 19th Congress of the International Primatological Society, Beijing, China
- Revisiting conflict resolution: emphasizing negotiation and cooperation instead of conflict and reconciliation** The American Association for the Advancement of Science Annual Meeting, Boston, MA

- Behavior and demography of a semi-free ranging population of long-tailed macaques (*Macaca fascicularis*) at Padangtegal, Bali, Indonesia.** The 71st annual meeting of the American Association of Physical Anthropologists, Buffalo, New York.
- 2001 Real Swinging Apes? What gibbon pair bonds and grouping patterns can tell us about evolution and conservation** The 14th Southern California Primate Research Forum, California State University, Fullerton, CA.
- The behavioral ecology and distribution of long-tailed macaques (*Macaca fascicularis*) in Bali, Indonesia** The 70th annual meeting of the American Association of Physical Anthropologists, Kansas City, MO.
- 2000 The variable evolution of pair bonds in Human and Nonhuman primates** The 69th annual meeting of the American Association of Physical Anthropologists, San Antonio, TX.
- 1999 Preventing, negotiating and resolving conflict: an overview of current concepts.** The 98th annual meeting of the American Anthropological Association, Chicago, IL.
- Pair-bonds in Lemurs, Monkeys, Gibbons and Humans? A preliminary evaluation of semantics and reality in pair-bond models.** The 68th annual meeting of the American Association of Physical Anthropologists, Columbus, OH.
- 1998 Post-conflict behavior in a small group of Chimpanzees; group dynamics and individual effects.** The 67th annual meeting of the American Association of Physical Anthropologists, Salt Lake City, UT.
- 1997 No Simple Solutions: Anthropology and Primate Research on the Mentawai Islands, Indonesia.** The 96th annual meeting of the American Anthropological Association, Washington D.C.
- 1996 Current Status and Future Viability for the Mentawai Primates** and **Re- Evaluating Primate Monogamy.** The Joint 16th Congress of the International Primatological Society and 19th Conference of the American Society of Primatologists, Madison WI.
- Post-agonistic interactions in the Hanuman langur: “reconciliation” or not?** The 65th annual meeting of the American Association of Physical Anthropologists, Durham, NC.
- 1995 Bawdy Gibbons and Boring Langurs: two cases for reassessing monogamy in catarrhine primates.** The 64th annual meeting of the American Association of Physical Anthropologists, Oakland, CA.
- 1994 Social Organization in the Mentawai Island Langur (*Presbytis potenziani*).** The 15th Congress of the International Primatological Society, Bali, Indonesia.
- The Social Organization of the Mentawai Island Langur (*Presbytis potenziani*).** The 63rd meeting of the American Association of Physical Anthropologists, Denver, CO.

SERVICE:

PROFESSIONAL COMMITTEES/ADVISORY GROUPS/EDITORIAL BOARDS:

- 2021** Guest member, Editorial Board, *Annual Review of Anthropology*
- 2020-2022** Harassment Committee for Awareness, Response and Equity (HCARE), American Association of Physical Anthropologists
- 2018-present** Associate editor, Zoological Journal of the Linnaean Society
- 2018-2023** AAAS Annual Meeting Scientific Program Committee
- 2018-2020** Chair of Section H (Anthropology), AAAS
- 2018-2022** Editorial Board, *Yearbook of Physical Anthropology*
- 2017-2020** External examiner, Anthropology, University of Exeter
- 2017-present** Editorial Board, *Journal of Anthropological Research*
- 2017-present** Editorial Board, *Estudios de Antropología Biológica*
- 2017-present** Senior Editor, *The New Biological Anthropology* (book series), Routledge

2017-2019 Advisory Board, *SAPIENS*
2016-2020 Editorial Board, *American Anthropologist*
2016-2022 Editorial Board, *Anthropology News*
2015-2019 Advisory board, Center for Theology, Science and Human Flourishing, University of Notre Dame
2015-present Editorial Board, *Religion, Theology and Natural Science*, Book series-Vandenhoeck and Ruprecht, Gottingen
2015-2016 National Institutes of Health (NIH) Chimpanzee Research Use Panel
2015-2017 Executive Program Committee, American Anthropological Association (Chair 2017)
2014-present Co-Director, Increasing Diversity in Evolutionary Anthropological Sciences (IDEAS), American Association of Physical Anthropologists
2014-2016 Advisory Board for the life Sciences, John Templeton Foundation
2014-2016 Search committee for the Editor of *American Anthropologist* 2017-2022 (flagship journal of the American Anthropological Association)
2013-2018 Chair, Research Panel for HM Government of Gibraltar and the Minister of Health and Environment
2013-present Editorial Board, *Anales de Antropología* Instituto de Investigaciones Antropológicas de la UNAM
2013-2021 Editorial Board, *Cambridge Studies in Biological and Evolutionary Anthropology*, Cambridge University Press
2013-present Associate Editor, *Philosophy, Theology, and the Sciences*
2013-2016 Electorate Nominating Committee (ENC) of the Section on Anthropology, American Association for the Advancement of Science
2012-present Co-Chair, Committee on Diversity, American Association of Physical Anthropologists
2012-2014 Member Task Force on Race and Racism, American Anthropological Association
2012-2014 Chair, Biological Anthropology Section of the American Anthropological Association
2011-2012 Executive Program Committee, American Anthropological Association
2009-2012 Chair, Student Awards Committee, American Association of Physical Anthropologists
2009-2012 Executive Committee, American Association of Physical Anthropologists
2008-2017 Assistant Editor, *Journal of Aggression, Conflict and Peace Research*
2008-2012 Editorial Board, *Yearbook of Physical Anthropology*
2008-2010 President, Midwest Primate Interest Group (MPIG)
2008 Guest member of the American Anthropological Association Committee on Ethics
2007-2012 Associate Editor, *American Anthropologist*
2007-2008 Vice-President, Midwest Primate Interest Group (MPIG) (co-founder)
2006-2012 American Association of Physical Anthropologists (AAPA) committee on underrepresented groups in physical anthropology (co-chair)
2006-2008 American Association of Physical Anthropologists (AAPA) Annual Meeting Scientific Review Committee
2006-2008 Editorial Board, *Reviews in Anthropology*
2005-2014 American Association of Physical Anthropologists (AAPA) Student Prize Committee
2005-2011 Co-Coordinator, AAPA Primate Interest Group
2005-2011 Board of Directors Associate Member, Potawatomi Zoological Society
2004-2005 American Anthropological Association Annual Meeting Program Committee
2004-2014 Editorial Board of *Iberis*, Journal of the Gibraltar Ornithological and Natural History Society
2004-present *Current Anthropology* Associateship
2003-2006 Nominations Committee of the American Anthropological Association

2003-2005 Dissertation Proposal Advisory Panel for Physical Anthropology, National Science Foundation (NSF)
2003-2005 Board of Directors, Potawatomi Zoological Society

- 2002-2012** Editorial Board of *Primate Field Studies* monograph series, Prentice-Hall
2000-present *Behavioral and Brain Sciences* Associateship
2002-2003 J.I. Staley Prize Review Panel, School of American Research
2002-2003 Integrative Graduate Education and Research Traineeship (IGERT) Program Review Panel, National Science Foundation (NSF)
1999-2002 Long-Range Planning Committee of the American Anthropological Association
1998-present IUCN Species Survival Commission, Primate Specialist Group

UNIVERSITY COMMITTEES/ADVISORY GROUPS:

- 2021-present** Faculty Committee on the Course of Study: Culture and Difference subcommittee
2021-present Evaluation committee, Princeton University Dean for Research Innovation Fund
2021 Human Remains Working Group, Princeton University
2019-2020 University of Notre Dame Anti-Bullying task force
2019 College of Arts and Letters Faculty Hiring Guide committee
2018-2020 University of Notre Dame Diversity and Inclusivity Coordinators committee
2018-2020 Ansari Institute Faculty Steering Committee
2016 University of Notre Dame Rev. Edmund P. Joyce, C.S.C. Award for Excellence in Undergraduate Teaching Selection Committee
2015-2016 University of Notre Dame Eck Institute for Global health Director's Search Committee
2015-2018 University of Notre Dame Department Chairs Advisory Group to the Provost
2013-2019 University of Notre Dame Institute for Advanced Study interdisciplinary review committee- Social Sciences
2013-2018 University of Notre Dame working group on Diversity and Engagement
2012-2015 University of Notre Dame Gender Studies Steering Committee
2011-2012 University of Notre Dame Provost's Advisory Committee
2009-2010 University of Notre Dame IUCAC committee
2008-2011 Executive Committee of the College of Arts and Letters
2008 College of Arts and Letters Dean's advisory Committee
2007-2020 Executive Committee, Institute for Latino Studies, University of Notre Dame
2007-2008 Chair, University of Notre Dame *ad hoc* Steering Committee for core vision on undergraduate learning and formation
2006-2009 University of Notre Dame Carnegie Academy for the Scholarship of Teaching and Learning (CASTL) committee
2006-2009 Provostial Advisory Committee on Undergraduate Research
2005-2017 Undergraduate Advisory Committee, Kroc Institute for Peace Studies, University of Notre Dame
2005 Ganey Community-Based Collaborative Research Grants Review Committee, Center for Social Concerns, University of Notre Dame
2005-2006 Graduate Admission Committee, Kroc Institute for Peace Studies, University of Notre Dame
2003-2009 Executive Committee, Center for Asian Studies, University of Notre Dame
2002-2007 Advisory board for the Institute of Latino Studies, University of Notre Dame
2004-2006 Arts and Letters Undergraduate Studies Committee, University of Notre Dame
2004 College of Arts and Letters Honorary Degree Committee, University of Notre Dame
2003-2004 Review Committee for the Lab for Social Research, University of Notre Dame

EXTERNAL DEPARTMENTAL/PROGRAM REVIEW COMMITTEES

- 2019** National Science Foundation - Co-Chair Division of Behavioral and Cognitive Sciences (BCS) Committee of Visitors (COV)
2019 University of California, Berkeley- Department of Anthropology

2019	Durham University (UK)- Department of Anthropology
2016	Santa Clara University- Department of Anthropology
2014	Emory University- Department of Anthropology
2011	University of Massachusetts, Amherst- Department of Anthropology
2009	National Science Foundation-Biological Anthropology Program Committee of Visitors (COV)

EXTERNAL TENURE/PROMOTION REVIEWS

2021	9 reviews (5 FOR FULL PROFESSOR, 1 FOR ENDOWED CHAIR)
2020	4 reviews
2019	8 reviews (2 FOR FULL PROFESSOR, 1 FOR ENDOWED CHAIR)
2018	5 reviews (2 FOR FULL PROFESSOR, 1 FOR ENDOWED CHAIR)

PHD COMMITTEES

2021-present	Ulises Espinoza, Anthropology, University of California, Los Angeles
2021-present	Tania González, Sustainable Sciences, Universidad Nacional Autónoma de México, committee member
2019-present	Alfredo Robles, Philosophy of Biology/ Cognitive Sciences, Universidad Nacional Autónoma de México, committee member
2019-present	Jorge Luis Ochoa, Philosophy of Biology/Cognitive Sciences, Universidad Nacional Autónoma de México, committee member
2018-present	Andres Sandoval Gualito, Physical Anthropology, Escuela Nacional de Antropología e Historia, México, committee member
2018-2020	Dylan Belton, Theology, University of Notre Dame, committee member
2018-present	Benjamin Gombash, Biology, University of Notre Dame, committee member
2017-present	Sana Saiyed, Anthropology, University of Notre Dame, committee member
2016-2018	Joyce Rivera-Gonzales, Anthropology, University of Notre Dame, Co-Chair
2016-2021	Richard Marcantonio, Anthropology/Peace Studies, University of Notre Dame, Co-chair
2016-2021	Jelena Jankovic, Anthropology, University of Notre Dame, committee member
2016-2020	Anne-Marie Thornberg, Anthropology, University of Notre Dame, committee member
2015-2021	Maryam Rokideh, Anthropology/Peace Studies, University of Notre Dame, committee member
2015-2020	Persephone D'Shuan, Anthropology, University of Notre Dame, Chair
2015-2020	Kristina Hook, Anthropology/Peace Studies, University of Notre Dame, committee member
2015-2020	Mallika Sarma, Anthropology, University of Notre Dame, committee member
2015-2019	Erik John-Fuhrer, English, University of Notre Dame, Co-Chair
2014-2019	Rieti Gengo, Anthropology/Peace Studies, University of Notre Dame, Co-Chair
2014-2019	Jeffrey Peterson, Anthropology, University of Notre Dame, Chair

2014-2019 Amanda Cortez, Anthropology, University of Notre Dame, Chair
2014-2019 Angela Lederach, Anthropology/Peace Studies, University of Notre Dame, committee member
2014-2017 Robert Habig, Biology, University of Notre Dame, committee member
2014-2018 Justin Wilcox, Biology, University of Notre Dame, committee member
2014-2020 Amanda Ellwanger, Anthropology, University of Texas at San Antonio, committee member
2012 Marcus R. Baynes-Rock, Anthropology, Macquarie University (AU), external examiner
2011-2014 Paul Scherz, Theology, University of Notre Dame, committee member
2010-2015 Anne Kwiatt, Anthropology, University of Texas at San Antonio, committee member
2010-2015 Amy Klegarth, Biological Sciences, University of Notre Dame, Co-Chair
2008-2010 Ryan Kennedy, Engineering and Computer Science, University of Notre Dame, committee member
2010 Eric Peterson, History and Philosophy of Science, University of Notre Dame, committee member
2007-2012 Jessica Mikels, Biological Sciences/Sociology, University of Notre Dame, committee member
2007-2010 Michelle Kulaga, Biological Sciences, University of Notre Dame, Co-Chair
2006-2009 Jonathan Racster, Anthropology, Ohio State University, committee member
2006-2009 Karen Zambetta, Anthropology, Southern Illinois University, committee member
